

Our Son in Heaven

You were a blessing to us all
you were a special child....
And we are so glad God sent you
To be with us a while.
You filled our home with happiness
and made our life complete...
The time we had with you
was far too short, but oh so sweet.
Some things we don't find easy
to accept or understand..
Until we realize they're part of
Our Creator's perfect plan.
Now it comforts us to know
You're with the angels up above..
While in our hearts we hold you close
Surrounded by your love.
Rest peacefully with your father above
